

Welcome to Wilton. Noted below are some points of information we hope will help you settle into our town.

If you have come from another town in New Hampshire, you should notify the Department of Motor Vehicles of your new address within 10 days of moving. This is accomplished by filling out a DMV Record Change Request form and either mailing it to the Concord Department of Motor Vehicles office or by bringing it to the Town Clerk. Drivers should also print in their new address on the registration and drivers license.

Vehicle registrations are begun at the Town Clerk's Office. The state portion of registrations can be completed with the Town Clerk (for an extra \$3 fee) or at a Motor Vehicle substation. There is no grace period on registrations, renewals are due by the last day of the owner's birth month. Only motor vehicle inspections are allowed a 10-day grace period following the renewal month.

Keep in mind leased vehicles, company vehicles and vehicles registered under a Trust name may have a different renewal and inspection month than the primary driver's birth month. Further – a late renewal (done after the renewal month has gone by) is given only a 2 day period to get an automobile inspection completed. That 2 day period is not automatic. Please ask us for the required form when you come in.

Driver's license renewals can be completed at a State of NH DMV Office.

Drivers aged 16 and 17 years need to have a parental permission slip ("pink" slip) completed by a parent/guardian or their insurance company before every registration is completed.

You can register to vote at the Town Clerk's Office any time prior to 10 days before an election. Voter registration can also be completed at the polls on Election Day. For all elections, our polling place is open 8:00 AM to 7:00 PM. Absentee ballots are available at the Town Clerk's Office.

Dogs are required to be licensed by April 30th every year. Proof of rabies vaccination is required. Cats do not need to be licensed.

Trash: Wilton is one of the first towns in the country to require mandatory recycling. A detailed flyer is available at the Recycling Center, on our website or at the Town Hall. A permit (sticker) is now required in order to use the Recycling Center. Stickers can be obtained at the Recycling Center.
