

## **Seeking Wilton Volunteers!**

***Do you want to help ensure the long-term future of Wilton businesses on Main Street and beyond? Have you wondered how you can help? Here's your chance to give back to your community and help Wilton's businesses thrive!***

### ***What is this project all about?***

The Wilton Economic Development Team is partnering with the University of N.H. to survey existing businesses in Wilton so we can identify opportunities to help them thrive and expand. You would participate in a two-person interview team which would visit four assigned businesses to conduct a structured interview survey.

### ***How much of my time is involved?***

Total time commitment is only about 6 hours spread out over the course of 8 weeks. You would attend an initial 2-hour training session, and then help conduct 4 interviews of an hour each.

### ***When is this happening?***

The next training sessions will take place in early October. You will have options for different days and times to sign up. The actual interviews should be completed by mid-November.

### ***How do I get more information or sign up?***
