

# WILTON BOARD OF CEMETERY TRUSTEES

PO Box 83 Wilton, NH 03086

## **April 29th Cemetery Trustee Minutes**

7:02 Call to Order

Attendance- Brian Adams, Chairman, John Jowders, Trustee, Steve Elliott, Trustee

Public – Doreece Miller, Stanley Young

Review March minutes, Motion to accept J. Jowders, 2nd S. Elliott, All in favor.

Discussions, Doreece Miller was asked by the Board to attend to assist with web site updating. Board would like to offer easy format information page on the web site. Doreece informed Board that the Town is working with a new web designer and hopefully this will assist with the updating. Doreece also asked if the secretary could make changes in minutes formatting and procedures.

Stanley Young is seeking to plant some rhododendrons along the stone wall which abuts his family's plot. The Board has no objection, even though there is a "No In ground Planting" rule within the Cemetery. The Board feels that planting along the stone wall would be acceptable.

The Board received some photos of the (Vale End?) Cemetery through the years.

Carl Michaud dropped off some brochures and information packets

pertaining to using Polymer (Plastic) vaults. The Board feels that more information is needed and would like to discuss with Carl, and/or have a presentation of said vaults for questions and answers before any further discussion.

Motion to adjourn by B. Adams, 2nd S. Elliott, all in favor, 8:12 PM
