Wilton Cemetery Minutes May 27th 2014

Brian Adams- Chairman, John Jowders-Member, Steve Elliott-Member

Call to order 7:06

Review last month's minutes, motion to accept, SE, second, JJ, all in favor 3 yes

Attendance –

Hilda Wiggin

Hilda requests a review of her families lot in South Yard Cemetery. She is asking for ideas and possible loam placement, and grass seeding. The board advised her to purchase loam from a local vendor with a small truck so it could dump the loam on or close to the lot, and then hydro seed the loam due to the water (non-water) situation in South Yard.

Dave Morris called Brian requesting the Board to due stone and/or marker repair and/or straightening. Brian informed him that it is the family's responsibility. Steve and John agree.

Board received a letter from the Callahan Funeral Home, pertaining to a lot purchased in L.H. in 1987. Brian will write a letter and inform them of our findings.

John Jowders stated that he was disappointed in the condition of the cemeteries for Memorial Day.

Motion to adjourn, BA, second JJ, all in favor, 3 yes
