Wilton Cemetery Minutes August 26th 2014

Call to order 7:00 PM Brian Adams- Chairman, Steve Elliott-
Member

Review July's minutes – need to Hilda Wiggins to “Hilda Wiggin”.
Motion to accept (BA), second (SE), All in favor.

Agenda – Hilda Wiggin has returned to discuss Laurel Hill Cemetery boundaries, she is curious if the old iron post fence is the boundary line. Brian explained that it was, but more land has been donated since, so now it no longer is. Hilda would like to add a flat stone in memory of a relative (Edith Kyle) to the “Berwick” lot. She states that Edith's mother was a Berwick, but Edith's ashes have been scattered elsewhere. Brian would like to see some type of language on the stone to show that Edith's remains are not actually at Laurel Hill. Steve agrees, and once the Board receives said wording (and agrees with it) the stone may be placed next to her mother's (Frances Madison). Hilda is displeased with the weed whacking at South Yard, the small Rhododendron by the wall was cut. Hilda would like to reset the existing corner bounds at the Wiggin lot. Brian will locate and stake the correct corner placement. Hilda would also like to reset the “flat stones”. Board is fine with this request. Hilda wishes to loam the lot, or possibly have the Town do it. Board is fine with her doing it, but does not accept any financial or maintenance responsibility beyond what is routinely done.

Brian received a letter from Clair Santerre requesting to place a “Lion”

monument at the lot in Vale End Cemetery, Board agrees that it is acceptable. Brian shall write her of the decision, and that it is of her “own risk , the board warns her of theft and/or vandalism.

Next meeting – September 30th 2014
