Meeting Minutes

Present at Meeting:

Donna Crane - President, Sandy LaFleur - Member at large, Nicole Colvin – Griffin, former Member at large, Alison Meltzer – secretary, Stasia Millett – Member at large and Editor, Robin Lunn, Guest

- We voted to accept the Minutes of the June meeting. Sandy moved, Donna seconded.
- We reviewed some of our **recent events**. Subversive Food Cookoff was not well attended. The games we sponsored at Carnival Hill as a part of SummerFest had good participation.
- Stasia distributed copies of the EDDM for review and comment. Our edits are due by Monday 8/1. There will be a bundling party at Donna's the week of 8/8.
- We discussed **upcoming events**. Stone Soup will happen 8/27. The Rakes of Milford have been asked to play music. Setup will begin at 4 PM. Alison will check to see if there is any insurance issue if this is a byob event.

The Teddy Bear Picnic is 9/10 at 10 AM. This will begin with a parade from the Police Station Lot to the Main Street Park. Setup will be at 9 AM.

The Shot Party will be 9/14 at Edgewater

The Library has asked us if we would like to participate in the Big Read Party at the Main Street Park on 9/20 at 4 PM. No determination was made.

- There was some discussion of having our Farm to Table event at Lidgetop Farm, since Tom Mitchell has offered tilapia and produce at no cost. There is some question regarding the possible date for that, however, since the dates he proposed are coming up quickly. Nicole will follow up with Tom about dates in September.
- Nicole gave us an update regarding her new venture, The Rise Up Center, due to open in the Riverview Mill in September.
- Robin updated us regarding the Sanctuary at 47 Maple. She is scheduled to appear before the ZBA in August, and will appreciate our show of support at that meeting.

- Lois Kenick has reached out to us for help with a project she and Polly organized last year. They, along with some others, donated school supplies and backpacks to students in need through the Open Cupboard Food Pantry. Edgewater residents sorted supplies and filled the backpacks with them. Lois is unable to take this on this year and has asked for our help to get it organized. Alison will follow up.
- Donna has been approached by the Bureau of Elderly & Adult Services regarding a presentation covering public awareness of elder abuse, power of attorney, etc. She will follow up about this as the subject matter and intended target audience seemed a bit vague.
- Sandy asked if the Community Center would be interested in sponsoring the Sustainability Fair planned for next April. This year's event was sponsored by the Energy Committee.
- Next Meeting 24 August 2016 in the Courtroom

Respectfully submitted by Alison Meltzer, Secretary, Wilton Community Center
