

# Current Land Use

	Residential		Natural Resources
	Commercial		Municipal/Government/Private School/Institution/Church
	Industrial		Vacant*

\*Vacant land is any parcel that does not have a structure or specific regulation use assigned to it.

This is a general representation of the current land use in Wilton. Land Use was determined from the assessors data. Some parcels were adjusted to better represent the use of the land by request of town board members.
