Request for Quote
March 30, 2022

Sand Hill Reservoir
Isaac Frye Hwy, Wilton, NH 03086

The Town of Wilton is seeking bids for trail and peninsula clean-up post logging. The area is the town property surrounding the Sand Hill Reservoir (known also as the New Wilton Reservoir) on Lot D-7.

The proposed approach is to deploy a forestry mulching machine to grind the slash in the path of the trail routes and leave a 5-6 foot trail bed. One additional area is the peninsula where we will be replanting where red pine was taken out. A trail down the center of this area is also included in this project.

To submit a quote: Sealed envelopes, plainly marked "*Sandhill Reservoir Trail Improvement Project*" addressed to the *Wilton Conservation Commission, Wilton Town Hall, P.O. Box 83, Wilton, NH 03086*, containing the bid sheet included in this document, must be received in hand by the Wilton Administration Department (42 Main Street Wilton by 2:00 PM on April 11, 2022.)

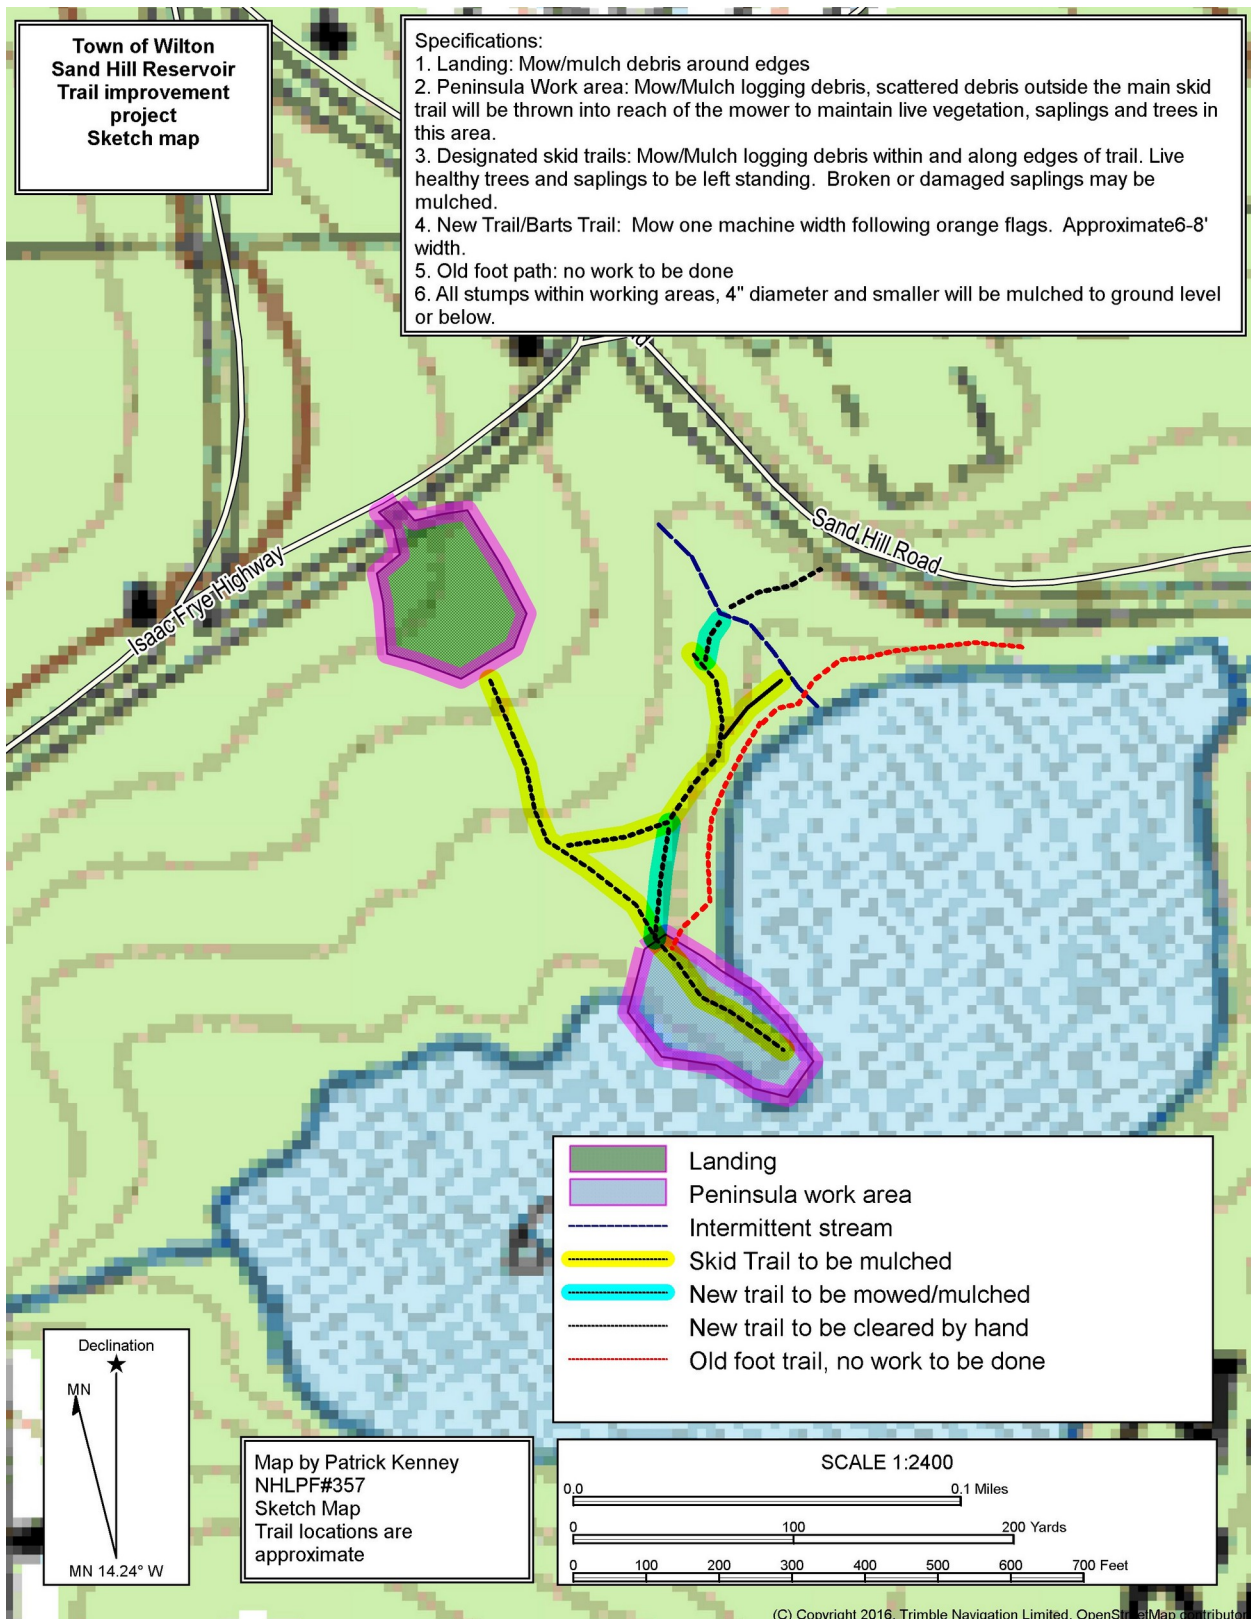

Site Walks are available for interested companies by calling Commissioner, Patrick Kenney at (603) 731-5214 or emailing patrick@cuttingedgeforestryllc.com.

Specifications and a project area sketch can be found on page 2.
