Agenda

Last Meeting Follow-up

1. Last meeting minutes accepted.

New Business

2. Nick to discuss with a bond agent about getting a proposal timetable for 2023.
3. Kellie to reach out to a Budget Committee Member possibly Kelly Eshbach for input/interest in being a representative to the committee.
4. March 28th, new DPW Director
5. Deb Mortvedt Chair made a motion to select Kellie Sue Boissonault as the new Chair, motion seconded and passed.
6. Bruce cautioned that six months to do everything for a building design, location, bond might be rushed and not suitable for a long term use as is the goal for this project.
7. The Town of Brookline DPW building seems to be a better design for long term use than Amherst DPW Building which appears to be boxed up.
8. Deb suggested community involvement/fundraising like a calendar to entice interest in the project/effort.
9. Dave will contact the Town of Pelham DPW, to set up a visit to the new facility and outbuildings.
10. Various town owned and privately owned property discussed for a new location.
11. Possible sites must address environmental and residential concerns, environmental impact, runoff, aquifer impact and private wells.

Notes

- Town of Pelham DPW Building Tour tentatively set for April 9th. Meet at Wilton Police Station at 8:40 for a carpool to Pelham.
