

Wilton Recycling Center

290 Gibbons Hwy • P.O. Box 83 • Wilton, NH 03086

Phone: (603) 654-6051 • Fax: (603) 654-6663

June 10, 2021

We have a brochure available on the website with a wealth of information, along with all of the fees. You can access more information at the recycling center web page where new information has recently been posted: https://www.wiltonnh.gov/government/departments/recycling_center

Remember the Household Hazardous Waste Collection Day will be on Sunday June 27th from 9:00 am to 1:00 pm. A flyer is posted on the website and as handouts at the recycling center. We will collect the completed survey which is on the back of the flyer the day of the event.

The sign at the entrance on 101 is finally near completion with the lights being installed in the next several weeks. Our warm weather projects are beginning to take shape much to our pleasure.

We have a new sign for the brush pile and yard waste with more signs to come so please take notice. Take the time to look around and check out what is new.

The Wilton Select Board has requested a swap shop committee be formed with a member from each town to be represented. Updates will be available as this adventure progresses.

Please do not hesitate to ask if you have a question or share an idea with us.

We appreciate your support

Carol and the Wilton Recycling Center Staff
