Anticipated Bid Opening: July 7, 2023 @ 2:15PM

Anticipated Award Timeframe: Within 10 Days of the Bid Deadline

Anticipated Contract Signing: Within 10 Days of Bid Deadline

1.2 Obtaining Bid Documents

The Town of Wilton's primary outlet for distributing documentation for this project is the Purchasing page on the town's main website: www.wiltonnh.gov. Essential documents can also be received in hardcopy from the Administration Department.

1.3 Inquiries

Technical or administrative questions should be directed to this IFB's main contact listed on the cover page; technical questions will be referred to the Wilton Highway Department. Highly specific e-mailed or typed questions are strongly preferred, and should reference the section the respondent wants clarified. Responses that are deemed reasonably able to affect competitiveness for this RFP will be released as addenda.

1.3 Submission Instructions

Sealed hardcopy proposal packages, clearly marked "IFB 06-23 Cemetery Garage" must be received by Administration Department staff at 42 Main Street in Wilton before the proposal deadline on June 16th at 2:00PM. Each package **must include** at least one copy of the following two (2) items:

1.4.1 Completed bid sheet(s) (**Attachment Item #1**). All entries and signatures on each bid sheet must be typed or written in ink; pencil will render a submission disqualified

1.4.2 All other requested support information identified under Section 5 (Mandatory Proposal Components)

1.5 Review and Award Process

Bid packages not verifiably received by the Town of Wilton by will be immediately disqualified. Barring emergency, a public bid opening will be held on July 7 at 2:15PM in the Wilton Town Hall Court Room (42 Main Street), where appropriately received bid packages will be opened and read aloud/recorded.

Thereafter, town personnel relevant to the project will review all bid package components received, verify whether or not they meet the town's requested requirements and prepare a recommendation for the Wilton Select Board. The Wilton Select Board, at their next feasible scheduled meeting, will consider the bids received: The Town of Wilton will award a contract to the lowest priced proposal to a candidate that can demonstrate competent completion of the requested work through submitted credentials.

2. Background

The Town of Wilton (Pop. 3800) is a mostly rural NH community with a small, more urbanized town center. It possesses numerous public buildings and facilities at various sites located throughout the town, including a cemetery garage building located within the Laurel Hill Cemetery a few minutes' drive from downtown.

Said cemetery garage has been used for decades to store various pieces of equipment for the maintenance of municipal land within the Town of Wilton. Critically, it is the primary storage location for a number of field mowers and other supplies.

After years of heavy use, it's been identified that the building has decayed significantly and requires builder intervention to maintain its integrity. Said worksite is a relatively small and extremely utilitarian garage located within a cemetery. Discretion and respect for working within the area is a must.

2.1 Purpose

The Town of Wilton is utilizing a sealed bid process in compliance with its purchasing policy. Given that the town has generally identified the type of work needed, a simple request for bids process is being utilized.

2.2 Desired Outcome

- The town secures the anticipated garage repairs.
- Performance of requested scope of services complies with all regulatory and safety requirements within the State of New Hampshire and according to local regulation

3. Scope of Services

A contractor will provide the following labor and materials to repair the **24x23 single story two car garage located at Wilton's Laurel Hill Cemetery**

- Replace all trim work
- Cut T1-11 up 2 feet to get rid of rot and replace with plywood.
- Fix the area of three windows that have been removed
- Install approximately 800 sq. ft. white vinyl siding
- Vinyl corners and soffits

4. Award Requirements

4.1 Performance

Work must comply with all applicable state and local Town of Wilton building and safety requirements. The Public Works Director will certify work stipulating progress payments and must sign off before project is deemed complete. Access to the site for work performance will be guaranteed between the hours of 7:30AM and 4:00 PM Monday through Friday. There may be mandatory work stoppages required to accommodate burials if unavoidable, but these will be coordinated with at least a week's advance notice.

4.2 Method of measurement and payment

Before contract signing, the Town of Wilton will render progress payments towards completion of the project according to a mutually agreed upon schedule with the respondent.

4.3 Work and Materials Guarantee

Any material or workmanship found to be defective for up to one (1) year from the date of acceptance by shall be replaced by the Contractor at no cost to the awarding authority. Upon notification of defective material or workmanship, the respondent shall immediately replace such defective areas.

4.4 Change Order

Changes to work, price, or contract performance conditions will not be executed without written approval from the Wilton Town Administrator and Director.
