

WILTON CARES

Grocery Request Form

Wilton Cares was established to help Wilton residents who are quarantined or are unable to leave their home during the Coronavirus outbreak. Organizations and residents have donated non-perishable groceries and household goods that are available for delivery to you - all free of charge. The Wilton Fire Department will deliver these groceries to your door each Saturday morning while extreme isolation measures are in place.

There are several ways to complete an order. If you have access to the internet, please complete your order online at bit.ly/wiltonnhcares

Alternatively, you can complete this paper request form, and check off items listed on the next page, that would suit your household's needs.
